Re: Dumitru Stanou
Internal Security - Rumania

A confidential informant who has furnished reliable information in the past, has advised he met with Dumitru Stanou (Second Secretary, Rumanian Legation, Washington, D.C.) in Washington, D.C. on May 2, 1963.

Stanou stated the Rumanian Government desires that Theotist Botosaneanu (Suffragan Bishop of the Patriarchate of Bucharest), who was elected Bishop of the Rumanian Orthodox Church in the United States to replace the late Bishop Andrei Moldovan, become the Metropolitan of a new Synod with residence in New York, New York.

This Synod is proposed to consist of Bishop Valerian Trifa of Detroit, Michigan as Suffragan Bishop of the United States, Nestorian Cicala of Windsor, Canada as Bishop of Canada, and two others to be named as the Bishops of South America and Western Europe. SEE PR. FOR ADD INFO

The Rumanian Government plans to finance the building of a cathedral in New York, New York, and bring additional priests from Rumania to assist in its operation.

Stanou did not know how Bishop Trifa would react, however, it is desired that he be rehabilitated (dismissal of charges and convictions outstanding in Rumania for former alleged Rumanian Iron Guard activities) and that he change his anti-Communist attitude.
